

**CONSENT FOR USE OF PHOTOGRAPHS
2010-2011 School Year**

1. I understand that Tree of Life Christian Schools will take photographs of my child(ren) for the yearbook. The school will also use group or individual candid or posed photographs of students for school use that do not identify the child(ren) by name. I understand that as a condition of the enrollment of my child(ren) at Tree of Life Christian Schools the school may use both the yearbook and non-identified photographs, regardless of my consent.

2. The school may publish and copyright, for school purposes, all photographs in which my child(ren) appears while a student at Tree. The school may cause these photographs to be used in school publications such as but not limited to: brochures, newsletters, advertising, posters, displays, power point, DVDs, catalogs, and the website, without limitation or reservations. I understand that these photographs will not be given to any other organization, except to produce the items listed above.

3. Additionally, I agree that use of a photograph(s) does not constitute, in any manner, a waiver of Tree of Life Christian Schools' policies, program, or rules, nor does continued use constitute an agreement to continue the child's enrollment.
