

ATTENTION ALUMNI

DO YOU LIKE JEOPARDY? GREAT!

Tree of Life In The Know team will host its first annual invitational academic quiz tournament during homecoming this December, and you are invited.

Who can play? Anyone in the “Tree family”—students, alumni, parents, teachers, friends of Tree. Any age.

What is a team? Each team is composed of four people. For best results a team should encompass a variety of academic disciplines—history, literature, science, math, music, art, general knowledge, etc.

How do we play? Two teams of four compete for about 20 minutes. It is fast paced. A buzzer system determines who will answer.

How many games? It’s a single elimination tournament—you win, you keep playing. We anticipate more than ten teams, so you will need to win three or four rounds to be the champion.

Where? At Tree in a classroom for all preliminary games, in the library with an audience for the finals.

When? During breaks in the Homecoming schedule. We will try to make it convenient for you.

Free? Not quite. Each team has an entry fee of \$10 cover Tree’s In The Know team expenses.

SIGN UP NOW FOR BIG FUN

E-mail us, identifying your team BY DECEMBER 1. We will get back to you quickly.
