

Tree of Life Students Excel on Ohio Graduation Test

Tree of Life Students rank among top schools in the state for recent Ohio Graduation Test (OGT) results. In all five areas, reading, math, writing, social studies, and science, over 90% of Tree of Life students passed the test. For students returning to Tree of Life the percentages are **100% passed reading, 98% passed math, 98% passed writing, 100% passed social studies, and 98% passed science.**

The scores are divided into five categories, two not passing (limited and basic) and three passing groups; proficient, accelerated, and advanced. The following graph shows Tree of Life student percentages in these categories.
