

Dear School Families,

As we all make plans for the coming year, you might be interested to know that Tree of Life will be offering before and after school care at the elementary branches beginning with the 2012-2013 school year. We have heard from many school families as well as prospective school families about this need.

The Northridge campus will not be offering before school care since students can already be dropped off at 7:30 am, and after school study tables provides the after school component. The details concerning this elementary program are as follows:
